ALL HANDICAP!!

OTHER RULES:

1. Each team will be allowed to shoot ahead one time only and must give a seven-day advanced notice.
2. 5 team members must be present, available and ready to shoot for the team that is signing up. Any team signing up without 5 members present, available and ready to shoot for the team that is signing up will be moved to the bottom of the list for their scheduled trap. A team member cannot sign you up if you are not on the club grounds, ready and available to shoot.
3. Only a team representative will be allowed to sign up for the team and will pay the **FULL \$90.00**
4. Team representative need not be the same person each week.
5. The shooters will each shoot 50 targets from the 20-yard line the first week. Starting week 2, each teams handicap yardage will be their average plus 2 yards. No team will shoot closer than the 20 yard line. If your team shoots short, a total score of zero will be entered for each shooter the team is short.
6. Divisions will be established.
7. **WEATHER.**
The league **WILL** shoot rain or shine. If some type of dangerous weather comes up (lightning), the teams that have not shot will shoot the following week for the week weathered out and then sign up and shoot for the present week. The make up **MUST** be finished the following week. Gunslick Board Members will make the decision on weather.
8. Top Gun Payout. Example: Two teams have a tie score for first place in their division, 1st and 2nd place money will be added together and divided evenly.
9. After a shooter has fired at a target, he can't be substituted for.
10. If a target comes out broken, whether it is a hit or a loss it must be re-shot. If a target comes out whole and a shooter shoots at it, it is a hit or a loss and can't be re-shot. If a shooter shoots at a whole target and gets a blooper, if the wad clears the barrel it is a hit or a loss. If the wad does not clear the barrel the target will be re-shot.
11. Any issues that arise outside the scope of these rules will be handled by Gunslick Board member/members and their decision is **FINAL!**
