

GUNSLICK TRAP CLUB NEWSLETTER

JUNE 2024

www.gunslicktrapclub.com

Gunslick Trap Club would like to thank everyone who participated in the nasa 100 bird shoot and fundraiser held June 2nd. The weather was foggy at the start of the shoot which didn't seem to affect the visibility of the targets for the early shooters. The scores for these early squads were very respectable. The fog cleared by mid-morning and the weather for the rest of the day was clear and warm.

There were 73 adult and youth shooters and three of these shooters posted a score of 100 straight!

A special thank you to the house sponsors who helped support this shoot which helps the programs that nasa provides for people with disabilities who want to get outdoors but do not have a means to do so.

These sponsors are:

Laborer's Local 140

Viking Electric

Carpet One

Washa Chiropractic Clinic

Bluffview Insurance

CTS Advanced Insulation

Bubba's Meats

Advertising Concepts

All shooters were eligible to win a door prize of ten cases of shells donated by:

Advertising Concepts

Viking Electric

Holiday Marine

Bluffview Insurance

Bill Bassett Foundation

Pizza Corral

Bill's Auto

Bernie's Equipment

Log Cabin Catering

Holmen Marine

Thank you to these businesses who donated to this shoot!

We would also like to thank Log Cabin Catering who provided and served pulled pork sandwiches, beans, chips and a pickle spear and also helped where needed in the clubhouse. The food was delicious and was enjoyed by everyone! Thank you, again!

And a big thank you to the volunteers who helped set-up, score and load houses which kept the event moving along. Their help made the shoot go smoothly! Thank you all for your support and help!

All prize money checks have been mailed as of this newsletter writing. The scores and payouts are posted on the website. If you are one of these winners, keep an eye on the mail as the checks are mailed in a windowed envelope and looks similar to junk mail.

There is one person who won money but we do not have a current address for her. Her name is Faith Hellerud. If anyone knows the address for her, please send it through the Gunslick website.

This year's recipient of the Holmen Alumni-Rickey Larson Scholarship is Alia Jeffords, who will use this donation toward her tuition to Viterbo University for a Business Administration and Sports Management degree. This degree will help her become an event coordinator in the sports industry. This scholarship comes from a portion of the proceeds from the Rickey Larson Memorial 100 bird shoot held at the Gunslick Trap Club. Congratulations and good luck, Alia!

UPCOMING AT GUNSLICK
