

### **2024 ANNUAL MEMBERSHIP RENEWAL INFORMATION**

The annual memberships are now available, and the cost is \$30.00. Spouses and family members are included in the annual and life memberships. A membership also provides a reduced cost for practice shooting as the member can purchase a 10 round shooting card which provides a cost savings.

For your convenience, a self-addressed envelope and a membership card has been provided. Fill out both halves of the card, your email address (optional), and age (optional), and tear on the perforation and mail half of the card and your check for \$30.00 made out to Gunslick Trap Club, using the enclosed envelope.

### **IMPROVEMENTS AT GUNSLICK IN 2023**

- The shooting lanes on traps 1 through 4 have been widened to allow easier access for shooters who need a wheelchair. This also makes snow removal easier.
- The east half of the parking area next to the clubhouse has been paved with new blacktop. This will help keep the dust down and the clubhouse a little cleaner and make snow removal easier.
- The west parking area has been graded and paved with recycled blacktop. This should move the rain and snow drainage to southern side of the parking area, preventing a puddle that people had to drive and walk through. This will also keep the dust down and makes snow removal and spring cleanup easier.
