

From the Gunslick Board of Directors:

We would like to take this opportunity to thank all who participated in our shoots during 2024. Your participation and support made the shoots a big success!

We would also like to thank the volunteers who helped at these shoots with set up, scoring and loading targets. Their help kept the shoots moving smoothly and was well appreciated!

The volunteers who open the club for practice shooting and who maintain the club grounds also deserve a big thank you! They kept the grounds in great shape.

Two club members volunteered their time to replace the light fixtures in the clubhouse with LED light fixtures and replaced the old ceiling fans with new fans. The clubhouse is a lot brighter and cooler now. Thanks guys!
