

GUNSLICK TRAP CLUB 5-PERSON TEAM SPRING LEAGUE 2022

The league will begin Tuesday April 19, 2022 and runs through Tuesday June 7, 2022.

SIGN-UP TIME: 4:30 PM thru 8:00 PM. No sheets to be handed out before 4:30pm. Once signed up, shooting will commence immediately when scorers are available.

SPONSOR FEE: \$35.00 per team.

SHOOTING FEE: \$18.00 per person per week (\$90.00 per team). \$13.00 for targets, \$3.00 for prize fund and \$2.00 for trap help.

TEAM ROSTER: Each team may carry 9 people on their roster and they can be on any other team roster. Rosters are closed after week two. The shooters who shot week 1 are the first 5 members of that teams roster. Teams coming in on week two will be assigned a trap and shoot week 1 first then sign up on the appropriate trap and shoot week 2.

Teams will shoot each trap twice during the league. Example: Team A on the first week signs up on trap 3. Week 2 will be on trap 4, Week 3 will be on trap 1 and week 4 will be on trap 2, and then they will do the same thing starting on week 5, Week 5 trap 3, week 6 trap 4, Week 7 Trap 1, Week 8 Trap 2.

OTHER RULES:

1. Each team will be allowed to shoot ahead one time only and must give a seven-day advanced notice.
2. 5 team members must be present, available and ready to shoot for the team that is signing up. Any team signing up without 5 members present, available and ready to shoot for the team that is signing up will be moved to the bottom of the list for their scheduled trap. A team member cannot sign you up if you are not on the club grounds, ready and available to shoot.
3. Only a team representative will be allowed to sign up for the team and will pay the **FULL \$90.00**
4. Team representative need not be the same person each week.
5. The shooters will each shoot 25 targets from the 16-yard line. The handicap yardage will be based on the average of these shooter's scores and will be determined by using the handicap yardage sheet. If your team shoots short, a total score of zero will be entered for each shooter the team is short and zero will be figured into the handicap score.
6. Divisions will be established.
7. **WEATHER.**
The league **WILL** shoot rain or shine. If some type of dangerous weather comes up (lightning), the teams that have not shot will shoot the following week for the week weathered out and then sign up and shoot for the present week. The make up **MUST** be finished the following week. Gunslick Board Members will make the decision on weather.
8. Top Gun Payout. Example: Two teams have a tie score for first place in their division, 1st and 2nd place money will be added together and divided evenly.
9. After a shooter has fired at a target, he can't be substituted for.
10. If a target comes out broken, whether it is a hit or a loss it must be re-shot. If a target comes out whole and a shooter shoots at it, it is a hit or a loss and can't be re-shot. If a shooter shoots at a whole target and gets a blooper, if the wad clears the barrel it is a hit or a loss. If the wad does not clear the barrel the target will be re-shot.
11. Any issues that arise outside the scope of these rules will be handled by Gunslick Board member/members and their decision is **FINAL!**
